Education

KLS VEDIT, Haliyal Electronics and Communication Engineering	Bachelor of Engineering (B.E.) • 8.5 • Nov 2022 – 2026
JSS RSH, Dharwad PCMB	Class 12 • 82.33% Nov 2020 – Apr 2022
RLS High School, Dharwad	Class 10 • 86.24% Jun 2019 – Jul 2020

Experience

Arctictern Solutions Private Limited Trainee Engineer	AGS Layout Bangaluru Jan 2026 – May 2026
- Performed computer vision data annotation for AI model training and validation - Supported AI model testing and optimization workflows https://www.arcticternsolutions.com	

Projects

1. Peltier-Based Non-Conductive Liquid Cooling System	Nov 2024 – Apr 2026
- Selected and presented at COMEDCARE Innovation Hub - Integrated ESP8266 for real-time temperature monitoring and IoT-based contro https://tinyurl.com/peltier-project	
2. Thermal Conductivity Testing Device (Subproject – Peltier Cooling System)	Dec 2024 – Jan 2025
Developed cost-effective thermal testing system using ESP8266 and sensors https://tinyurl.com/thermal-testing1	

Publications

Enhanced Thermoelectric Cooling System Using Peltier Module with Optimized Proprietary Coolant and Intelligent Control Architecture Indian Patent Office (IPO), Government of India	24 April 2026
- Developed intelligent cooling architecture using embedded systems - Integrated real-time monitoring and adaptive cooling control - Focused on energy-efficient thermal management for high-performance systems https://ipindiaservices.gov.in/publicsearch	

Certifications

1. Embedded System Developer Virtual Internship (Cohort 8) AICTE + Microchip Technology https://tinyurl.com/eduskill123	Jun 2024
2. Generative AI for Everyone Linkedin Learning https://tinyurl.com/generativeai-123	Jul 2024
3. Python Programming for AWS – Learn Python with AWS and Boto3 Udemy https://ude.my/UC-449ed356-56d1-4f0d-9242-82970805ad6b	Apr 2025

Skills

◦ Embedded Systems Microcontroller, Circuit Design
◦ IoT & Communication Wi-Fi Modules, Sensor Integration, Data Logging
◦ AI & Computer Vision Computer Vision, Data Annotation, AI Model Support
◦ Programming python, C++
◦ Tools and Platforms Github, VS code
◦ Soft Skills Team work, Leadreship, Time Management, Communication
